ESTABLISHMENT OF THE NATIONAL FOREIGN ASSESSMENT CENTER

1. Effective 11 October, The National Foreign Assessment Center is established. All components, offices, personnel, functions, authorities, and responsibilities of the Office of the Deputy to the Director of Central Intelligence for National Intelligence and the Directorate of Intelligence are transferred to the National Foreign Assessment Center.

2. Robert R. Bowie, in addition to his duties as Deputy to the Director of Central Intelligence for National Intelligence, is appointed Director of the National Foreign Assessment Center. He shall report directly to the Director of Central Intelligence.

3. Sayre Stevens is appointed Deputy Director of the National Foreign Assessment Center.

4. Paul V. Walsh is appointed Associate Director of the National Foreign Assessment Center for Management.

5. Richard Lehman is appointed Associate Director of the National Foreign Assessment Center for Substantive Support.

6. Administrative and budget support for the Center and its staff will continue to be supplied by the Agency. There will be no change in the rights or status of employees of the Agency assigned to the Center.

7. The Director of the National Foreign Assessment Center, with my approval, will issue memoranda establishing the structure and procedures of the Center.
